END OF YEAR CELEBRATION

On Saturday, the 18th of November from 9:30-11:30am, we are holding our End of Year Celebration. Not only will we be officially opening our new outdoor play space, but also celebrating the 18th Birthday of the Centre and the 20th Birthday of Learning Together.

We will also be celebrating the end of a very successful year, and farewelling a wonderful group of preschool children who will be starting their primary school journey in 2024.

There will be nature play, loose parts and junk play in the Beyond Space. Bring a rug and morning tea and join in the fun! We would love to see as many of our families there as possible.

World Nursery Rhyme Week runs from the 13th-17th of November and promotes the importance of nursery rhymes in early childhood development. Every year, five rhymes are chosen and children are encouraged to take part in the 'Rhyme a Day' challenge by singing them.

The 5 official rhymes for 2023 are:

- Jack and Jill
- Hickory Dickory Dock
- Heads, Shoulders, Knees and Toes
- Row Row Row Your Boat
- Wheels on the Bus

Pateela Street, Enfield

Registrations are essential. To register,
please contact Jill on 8342 3329 or
jill.meldrum@sa.gov.au

Please note there is no childcare, but
babies and toddlers are welcome.

Just another reminder to all
families to be aware of the **No Parking**
signs at the end of Wilkins St. We have
learnt from experience, you will be
fined!

We have also had some concerning
reports about cars driving very fast in
and out of the Pateela Street car park.
Please be mindful that not only is this a
very busy car park for our children and
families, but also for CaFHS and the
primary school. Please reduce your
speed when entering and exiting the
car park.

Are you part of a family that enjoys cycling?
Perhaps you bring your child to childcare or
preschool on a bike? If so, you may be
interested in Australia's largest ever crowd-
sourcing bike safety project, BikeSpot!

BikeSpot is an interactive map where you can
add your own spots where you feel safe and
unsafe riding your bike, in the hopes that it
will create safer bike routes, improvements
to road designs and get more people on bikes!
Go to bikespot.org to access the map and
start adding your spots.

24/7 SOWFI Hotline
(08) 7120 6610

Here is a very important phone number
for a not-for-profit foundation who takes
all calls relating to any injured
wildlife. At this time of year there is an
increase in injured native animals and
the volunteers at Save Our Wildlife
Foundation (SOWFI) are specially
trained to handle these animals, and are
available 24/7 to assist if you ever come
across an animal in need of care.

On Sunday, the 12th of November many of our educators and families celebrated Diwali, the festival of lights. We all enjoyed celebrating with them.
