

Ninna Marni everyone

This week's beautiful weather is a reminder that we are now moving out of the winter period of our Sun Protection Policy. Sun hats and sunscreen are needed anytime the UV level is 3 or above. During August, this is usually in the middle part of the day, but the times and levels get longer and higher each week as we head closer to summer.

All children and educators are required to wear appropriate sun safe clothing when outside. Children wearing tops and dresses without sleeves will need to put on a t-shirt or longer sleeved top before going outside. All children and educators are required to wear hats that protect their face, neck and ears, eg: legionnaire, broad brimmed or bucket hats. **Please ensure you have a sun hat packed for your child.**

A reminder that Centre Photos will be held on Tuesday, the 10th of September and Thursday, the 12th of September. Preschool families will find yellow payment envelopes in their pockets and childcare families can collect an envelope from the Office. If your child doesn't attend childcare on Tuesday or Thursday, you are most welcome to book a convenient time on one of those days so you can bring them in for a photo. Please see Office staff.

OUR BOOK LIBRARY!

A big 'Thank You' to Esther from the Kangkulya Room who donated a wonderful bundle of books to our Book Library. If you have any good quality books at home that still are in good condition and have some reading life left in them, we will happily accept them as donations to our Book Library.

Please sign your child in when they arrive and out when they leave! You also need to press "confirm". This is important for child safety so that educators know who is in the building, and for your childcare subsidy.

CHILDREN'S BOOK WEEK 17 – 23 AUGUST

We need your help!

PLEASE CONSIDER JOINING THE MANAGEMENT COMMITTEE

We require more parents on our Management Committee. Anyone can join the Committee including parents who have just started at the Centre with the mid-year intake.

Did you know that our Children's Centre (childcare and preschool) is managed by a committee of parents and staff?

Being a part of the Committee provides a way for you to participate in the management of the Centre and to have a strong voice in what happens.

The Director and the leadership team are responsible for the day to day running of the Centre, while the Management Committee contribute to the overall governance and management.

Good governance is important for providing high quality outcomes for children, families and educators. It involves things like contributing to policies, planning family and community events, setting budgets and fees, and participating in recruiting prospective staff.

As parents and community members you bring a range of unique perspectives, knowledge and skills, so please consider becoming part of the Committee.

Meetings are held once a month from 6-8pm.

Parents are welcome to attend the meetings as non-committee members which can be a good introduction to joining the committee.

Please speak to the educators in your child's room or someone in the office if you would like more information.
