

Ninna Marni everyone

Thank you to all of the families that attended our End of Year Celebration in the Beyond Space on November 16. Despite the hot, windy weather it was a fantastic morning. As always Glenn the Mobile Junk Man and his assortment of resources was a perfect match to the exploration opportunities in the Beyond Space. We try to have a deliberately "low-key" feel to our celebrations so that they are opportunities for parents and children to play alongside each other, and to get to know other families too.

Many of the kindy children have started the transition visits to school ready for 2025 which has been very exciting and a great topic of conversation among the children. This can also be a time of uncertainty for children (& parents!) as it represents a big change in their life. You can click [here](http://StartingBlocks.gov.au) to read an article on the StartingBlocks.gov.au website to help you and your child prepare for this change.

Our **Grow Free** produce share trolley has been getting a lot of use since it was set-up. Thank you to everyone who has brought in plants, herbs, seeds and fresh vegetables from their garden to share with others. The children in the Karra Room have also been planting new-season New Guinea Bean seeds, so watch out for these seedlings.
